Newark, N.J.

Dear Capt.:

I have been here thinking if I understood you correctly. I understood you to say that I was to received money for the last game played or did you give me the money before I left. I know I received 500. dollars for my shared on leaving. However I thought that was for the games up to the last one. Now If I am wrong I wish you would set me stright.

Jackie Robinson is bring his team here on the 20th of this month and I am suppose to get an All Star team to play him. Now#### ever I don't know if I will do it because all we receive is 15% of the gate. I don't think #### I will waste my time for that amount of money. Hello to all that you might see around Newark that I may know. Hello to Mrs Manley also. I would like to know about the split as soon as possible because I have made plans for it. Hoping to hear from you soon.

Yours very truly

Pat Patterson
